A Thank You Letter From Mother C.

Dear People of St. James,

I cannot tell you how much I have enjoyed the glider that you gave me. Jim and Nick placed it in my yard near the patio and garden, and I have nestled it further back in an arch under my enormous wisteria vine. When I am sitting on the glider, I have a view of the entire yard and garden, and since no one can see me sitting there, it provides a quiet sanctuary for me-even in a light rain. Over the summer, many of my friends and I have enjoyed hours of pleasant conversation while "gliding". I have also read a few books out there, gently pushing the glider back and forth with my foot. I had never given thought to purchasing a glider, but it has given me so much pleasure. It has only one defect; it has been known to cause narcolepsy.

I placed the yellow and red begonias in a planter near the patio end of my garden where they have bloomed constantly all summer-another great view from the glider! I have decided to try to save them over this coming winter with hopes they will bloom in all their glory again next spring.

One of my projects this summer has been the creation of a woodland garden at the back of my yard. There are already a couple beautiful maple trees out there, but there are spots where the sun touches at various times of the day. Everything has been cleared, and the two rhododendrons, one from Gail Osborn, and another from Josie and Mike Kubrich, have already been placed back there. I am now at the point of purchasing several woodland plants. Your monetary gift is going to be used for this project. It is something I have wanted to do for a long time, and you have made it possible. I hope to have everything planted this fall so I will be able to completely enjoy it next spring, summer, and fall. I'm going to put an Adirondack chair out there, and I even have a hammock from Jeff and Kathy Kennedy that will be placed between the two maple trees. Sooooo, if you have need to escape from the world and want a quiet place, you will know where to come!

For the present time, St. James, sits on a small table in my den. It is an antique, and I do not want to leave it out in the weather where it can freeze and

spoil. When I figure out how to protect it from the weather, I want to place it in the garden.

In case any of you do not know the story of "our" St. James, I want to share it. You saw the stones and club at the feet of the statue. James was placed on the wall of the Temple and told to denounce Jesus to the people below, or they would shove him off the wall. He preached Christ crucified, and they pushed him off. After he landed in a broken heap on the ground below, they realized he was not dead, so they took the clubs they used to pound laundry and beat him to death-all because he refused to recant his faith in Christ and denounce Jesus. Can we who live such a privileged life even begin to understand the price that was paid by the saints who kept our faith alive for us? May we never trivialize it or fail to understand what has been done for us.

You are the people of God, and I thank God for all the time I was able to be part of your lives and have you as part of my life. I thank you for all your kindness and goodness to me, and my God bless+ you and keep you always.

Much love,
Sandy + (Mother C.)

Socks for the VA

We at St. James' have generously donated white sweat socks to the veterans for many years. We do this in the memory of Jane Aeschbacher, a long time member of St. James' who, along with her husband Paul, put in countless hours volunteering at the VA prior to her death. When you are out shopping, please buy plain white sweat socks to help us with this worthy cause. Many of the veterans have no family to give them gifts on holidays and a gift of socks is well appreciated. Please put the socks in the basket at the back of the church. Please have them there by the Sunday before Christmas.

ANNUAL MEETING

Our Annual Meeting will be held Sunday, January 19. The meeting will take place after a pot-luck brunch following the morning service. At that time Vestry members, Warden and Delegates to Convention will be elected. There will also be reports from different programs in the church, and a report on the budget adopted by the Vestry. Please bring a dish to pass and join us at the Annual Meeting.

Building a Budget

As you know, it is nearly impossible to build a budget without knowing the amount of money you have to work with. Pledging to St. James helps the vestry in building our budget for the coming year. Pledge time is also when you can examine what God has done in your life and you can make an intentional decision about how much you can contribute to St. James. This will help you in planning your own budget for the coming year as well.

If you are going to pledge, please complete this form.

Thank you.

**Please either mail it to the pledge clerk or place it in the offering plate
November 23rd or December 1st.**
