November-December 2017 Newsletter

St James Vision Statement: God asks us to make His love visible in our lives and community. . . . let us not love in word or talk but in deed and in truth. (1 John 3:18)

From the Rector's Corner

Yes, everything is for your sake, so that grace, as it extends to more and more people, may increase thanksgiving, to the glory of God. (2 Cor 4:15)

It seems to me that the next season is rushing upon us. The leaves are finally changing and falling. The sky is darker in the morning. The air is cold at night, and we've had a frost. It also seems to me that the hint of the next season in the Church year begins with Halloween, October 31st. Most of us know Halloween, or All Hallow's Eve, as a holiday filled with ghosties and goblins and lots of candy. But that isn't how it started.

All Hallow's Eve is the night Vigil before All Saints' Day November 1st, followed by All Souls' Day on November 2nd. Since early church, Vigils have been held the night before major feasts. The three days honoring saints and praying for recently departed souls was part of early Christianity, and a fixed date was set in 731 by Pope Gregory III. "Souling" was the custom of baking and sharing soul cakes (think hot cross buns) for all departed baptized souls. And may have been the origin of treat-or-treating. In England and Europe poor children would go door-to-door collecting soul cakes in exchange for praying for the dead, especially the souls of friends or relatives, singing:

A soul! a soul! a soul-cake!

Please good Missis, a soul-cake!

An apple, a pear, a plum, or a cherry,

Any good thing to make us all merry.

One for Peter, two for Paul

Three for Him who made us all.

Although today our secular traditions look very different, our faith traditions are similar. This All Saints' Day, November 5th, we will pray for our departed family and friends during the Prayers of the People. A few weeks later we celebrate Thanksgiving with the Hammondsport Community, and then end the Church year on Christ the King Sunday. Entering the seasons of Advent and Christmas, we anticipate when the darkness in our lives becomes light, and when we will once again see our Savior.

As always, there are many things happening at St James. I invite you to enjoy the Newsletter as you ponder how to spend the next season of your life at St James.

God's peace be with you,
Lynne +

Generosity overflows!

Stained Glass Windows, Episcopal Relief and Development, and more

St James, with your overwhelming generosity, is ready to repair and protect our stained glass windows. Last year the Insurance company suggested that we should protect our windows, and come to find out they had made the same suggestion five years ago, ten years ago, and more! The Vestry stepped up and voted to move forward, and in July you received a letter inviting you to participate in the fund-raising campaign. We set a high goal of \$17,000 for the congregation and community, and to date, with your contributions, the Quilt Raffle and Bake Sale, a generous grant from the Taylor Foundation, and three memorial gifts, we have raised \$25,372 of the total anticipated cost of \$36,000. Wonderful!

Again, with Hurricanes Harvey and Maria, we asked for your donations to Episcopal Relief and Development, and with donations from you and the Mission Committee we raised \$3190 of relief funds. Amazing!

Your generosity continued with the CROP Walk where 20 of our youth and children walked with 10 adults. We give thanks for the support the walkers and sponsors offered to Loaves and Fishes Food Pantry. Thank you also for the generous outpouring of help to serve a taco bar lunch to around 20 of the walkers.

We have had three very successful Dinners this year, which involves the whole congregation, and the wider community in our Mission and Vision. Each of the three dinners raised around \$1000 dollars, and the Vestry has voted to designate 30% of the Dinners towards Mission.

You see, at St James we are generous people. We give generously to Mission and Outreach, generously to maintain the building and preserve our heritage, and we give generously to the staff. It is a blessing to consider what we might do next year to continue reaching out to our Community!

Diocesan Convention

Diocesan Convention is on Saturday, October 28th and our delegates: Charlie Skinner, Gladys Palmer, and Luanne Graulich attended the Eucharist and business meeting at RIT. The Diocese has worked on cutting cost of Diocesan staff and administrative costs, and now almost 50% of the budget goes outside the Diocese for education, mission, and outreach. Rev Lynne will continue to serve as Dean of the Southeast District for another two years. We ask your prayers as your representatives give of their time and talent to the Diocese, which then benefits our parish.

Annual Pledge Drive

With prayerful thanksgiving for all we have received, as well as planning for the year ahead, we once again come to the time to consider your pledge to St James' mission and vision. In the next week you will receive a letter, along with a pledge card inviting you to prayerfully consider the ways in which you can contribute your time, talents, and treasure to St James. Ingathering Sunday will be on Christ the King, which is Sunday, November 26th. The Rector, Treasurer, and Wardens will meet the following week to create a draft budget, and the Vestry will review, amend, and finalize the budget at the meeting at the December Vestry meeting in preparation for the new year, and our Annual Meeting.

Mutual Ministry Review

Every other year we have the opportunity to evaluate Rev Lynne and St James on our individual and combined goals, Mission, Vision, and dreams for the future. This process begins with a set of twelve questions, which a select group of Vestry members will begin, and then extends to the congregation. Then the Canon to the Ordinary, Johnnie Ross, will work with the Vestry to identify two or three focus areas for the upcoming years. We look forward to reviewing how we have done together, and looking forward to our hopes for the future.

Giving Tree

November 26th

'Tis almost the season and we are going to continue the tradition we started two years ago. We will have a tree with both food items and with Christmas gifts for some families in our community. The tree will go up on November 27th and we need the gifts back for distribution on December 10th, and the food items by December 17th. The tags will be color and shape coded so you can easily select a gift and/or food item.

Coffee Hour

If you would like to be in charge of Coffee Hour be sure to sign up on the sheet by the coffee pot. Your work in this ministry is always appreciated.

Happy Feet
submitted by Esther Covell

Collection November until December 17

We have another opportunity to show our care for our veterans, thanks to our memorial for Jane Aeschbacher. Jane was an avid volunteer here and for our veterans. At her passing her husband, Paul, continued her activity via the collection of socks for our veterans at the VAMC. To date we are approaching 3000 pair, donated and passed on to our vets! That is a lot of 'happy feet'! The generosity of our parish is very much appreciated. I get a chuckle when of presenting the socks, their eyes pop when I report the number collected.

CROP Walk 2016

Amazing! The group of 20 students and 10 adult walkers was amazing! The 80-degree sunny weather was amazing for a mid-October day. The most amazing part, aside from the snacks at the beginning and end, and the hospitality of the Scouts at the half-way point, was team St James and Hammondsport Youth Group – raising over \$700 to address hunger issues locally and nationally. Thank you!

Basketball Dinners

December 9th and January 13th at 4:00 p.m.

Last year St James hosted two spaghetti pre-game dinners for and both were a great success. Students, parents, and coaches gave thanks for this tasty ministry to our community. And so we will again host two pre-game dinners this Basketball season on December 8th and January 12th. All team members, cheerleaders, and support students are invited to attend a dinner at St James. Your participation is welcome! Karen will post a list a few weeks in advance for food, people to set up, clean up and serve the meals. It is an amazing opportunity to get to know some of the youth in our community.

Greening of the Church

Takes place on Sunday, December 17th immediately following the service. Please note, Advent 4 and Christmas Eve are on Sunday the 24th, so we will "green" a week early. As you know, it is a joyous occasion, and takes all available hands to place all the greens, candles, and decorations around the Sanctuary. Please mark your calendars and plan to stay.

You can purchase gifts such as a goat, or mosquito netting for people living in areas with malaria. A gift card can be issued for that perfect gift or stocking stuffer.
