Corner of Lake and Main  
P.O. Box 249 Hammondspport, New York 14840  
November-December 2018 Newsletter

*St James Vision Statement:* God asks us to make His love visible in our lives and community. . . . let us not love in word or talk but in deed and in truth. (1 John 3:18)

## From the Rector's Corner

*"I lift up my eyes to the hills – from where will my help come? My help comes from the Lord, who made heaven and earth." Psalm 121:1-2*

I've spent the last 12 days in Israel, traveling with a group of 35 Pilgrims, going in and around Jerusalem, Nazareth, Bethlehem, Galilee, Jericho, and the Golan Heights where Jesus and his disciples preached to the people of Caesarea Philipi. Every time I headed toward the Old City of Jerusalem this Psalm came to mind – with the thought, "from where is my help to come?" As you can imagine, visiting the sights where Jesus and his disciples walked the earth is powerful. I also find it powerful to pause and wonder at the beauty of creation, and the people who surround us. But most of all, the profound reminder that the power does not reside in me. Every part of life is a gift from God.

Sometimes it seems like life is too busy, too full of both the good and the challenging. Full of joy and sorrow, hope and despair, dancing and mourning, and all the other emotions and hectic schedules of modern lives. When in the world do we have time to slow down for just a second? To seek Jesus in our daily lives? Where do you find glimpses of God peeking through the golden autumn sunlight on the changing leaves, flakes of snow, and pumpkins decorating our steps?

We are doing so much good work at St James, and we gather every Sunday to give thanks as we pray together and enjoy fellowship. As you read through this Newsletter, I invite you also to ponder the many ways we can turn to God and rely on His power in our lives.

Peace,  
Lynne +

## Blessing of the Animals

In honor of St Francis and in thanksgiving for our furry companions, St James had its first Blessing of the Animals following the Sunday service on October 7<sup>th</sup>. There were a variety of dogs and guinea pigs who came to receive a blessing, as well as some photos and statues of other pets who could not make it that day. We look forward to continuing the practice next year as we reach out to the community, and bless our companions.

## **CROP Walk 2018**

A big thank you to Karen and the many others who came together to offer a taco bar before the youth headed out on the CROP Walk. The CROP Walk is about 3 miles long, rain or shine, and is a part of the Church World Service – helping to end hunger locally and globally “one step at a time.” 25% of the local sponsorships benefit the Loaves and Fishes Food Pantry. Thank you for your donations, participation, and prayers

## **Happy Feet**

*submitted by Esther Covell*

Collection November until December 16<sup>th</sup>

We have another opportunity to show our care for our veterans, thanks to our memorial for Jane Aeschbacher. Jane was an avid volunteer here and for our veterans. At her passing her husband, Paul, continued her activity via the collection of socks for our veterans at the VAMC. To date we are approaching 3000 pair, donated and passed on to our vets! That is a lot of 'happy feet'! The generosity of our parish is very much appreciated. I get a chuckle when presenting the socks, their eyes pop when I report the number collected.

### **Memorial Park**

Did you know that Steuben County built a Law Enforcement Memorial Park in front of the Public Safety Building in Bath to honor the fallen brothers and sisters who have died in the line of duty? This Memorial Park honors fallen police and peace officers from 9 counties: Allegany, Chemung, Livingston, Ontario, Schuyler, Steuben, and Yates. The park includes the names of the fallen officers and a blue glass flame created by The Corning Museum of Glass representing an eternal flame. St James Episcopal Church proudly sponsored a paver in the Park with our name and a Bible verse to honor those who have given their lives for our safety. We invite you to stop by and see the brick as well as saying a prayer for those who have died, and a prayer for those who faithfully serve our community.

### **Brookdale & Taylor Center**

St James now goes to the Taylor Center the 3rd Wednesday of the month at 2:45, and Brookdale the 4<sup>th</sup> Thursday at 2:30. We sing hymns with the faithful and gifted leadership of Ellie, read Scripture, pray together, and share Communion. The residents of both facilities enjoy this time to come together with other Christians and worship. You are always invited and welcome to come along and join in the singing or read a reading, or just be there to greet the residents.

### **3<sup>rd</sup> Annual Cookie Walk**

We were excited last year as we made about 150 cookies, iced that many cookies, put them in a baggies, and sealed them for the people who bought Cookies Tins through the Chamber of Commerce. More than 100 walkers, with their friends, stepped into the Sanctuary of St James to collect a cookie. Each person was greeted with a smile, and we extend an Merry Christmas and an invitation to join us on Sunday!

### **Athletes' Dinners**

#### **Christmas Eve – 7:00 p.m. (Note: new time!)**

Gather your family and friends to join us for the Celebration of our Savior's Birth on Monday, December 24<sup>th</sup> at 7:00 p.m. As always, this is a smaller service, filled with joy, candlelight, some of your favorite Christmas hymns, and the opportunity to celebrate the birth of the baby Jesus.

**Stewardship is ...ALL that we do, with ALL that we have, ALL the time.**

#### **Stewardship isn't ...**

- + Fundraising.
- + Paying the light bills or maintaining a building.
- + Paying a decent staff.
- + Meeting the budget.
- + Keeping the church alive.
- + Paying our fair share of the dues.
- + Passing on a legacy to our children.

#### **Stewardship is ...**

- + Sharing in God's mission with a glad, generous and grateful heart.
- + Transforming lives in our community.
- + Prayerfully responding to God's call.
- + A deeply spiritual matter.
- + Something that blesses the giver more than the receiver.

Stewardship is discipleship; it is a complete reorientation of our lives toward God, who calls us through Jesus Christ.

**Stewardship is... Everything I do after I say, "I believe."**

### **Bible in a year**

Every year several folks from St James read through the Bible in a Year. As challenging as it sounds, it is really very simple, doesn't take much time, and can bring new insights, along with plenty of questions. The schedule is available at the back of the church (brochure rack on the wall) or ask Tom Bidwell.

## Sabbatical

What is a Clergy Sabbatical and why is it important? Below is some information excerpted and adapted from: [soulshepherding.org/sabbatical-guide-pastors](http://soulshepherding.org/sabbatical-guide-pastors).

“Sabbatical” in simple terms means a time off for rest and/or study. In the Episcopal Church clergy are given paid leave for rest, and rejuvenation after five years of service.

*Why is a Sabbatical important?*

A clergy has emotional highs and lows unlike most other vocations. In the course of a day, a clergy can deal with death, deep spiritual issues, great encouragement, petty criticisms, tragedies, illnesses, and celebrations of birth. The emotional roller coaster is draining. Many clergy are on-call 24-7 and don't have an “off” switch. They go to sleep with the knowledge they could be awakened by a phone call at any time of the day. Vacations are rarely uninterrupted. Clergy who have sabbaticals have longer tenure at churches. Clergy who have sabbaticals view the time off as an affirmation from their churches.

*What is a Sabbatical?*

A Sabbatical is not a long vacation. It's not a time to read books on leadership or visit successful churches to learn from them. It's not a time to write a book, do research, or work on some other special project. A Sabbatical is not a job search. As a matter of fact, clergy contract to stay in place for at least a year following a Sabbatical.

The purpose of a Sabbatical is extended Sabbath rest! The Biblical precedent and Christian tradition is for clergy to go on Sabbatical. The typical Sabbatical in the Episcopal church is three months.

A true Sabbatical is a season of Sabbath for *prolonged rest*. It's like stringing together a number of Sabbath days. You do no leading, no ministering, no visioning the future of the church, no sermon planning. The key to Sabbath rest is: “Do nothing! Don't try to make anything happen!” *Just be with God.*

*Clergy Stress Statistics Document Their Need for Sabbaticals*

Here are a few of the statistics on clergy stress:

- 90% work 55 to 75 hours per week
- 90% feel fatigued and worn out every week
- 91% have experienced some form of burn out
- 70% have a lower self-esteem than when they entered the ministry
- 70% fight depression
- The average seminary trained clergy lasts five years in professional ministry

Clergy get so preoccupied caring for others that their own souls suffer:

- 72% only study the Bible when preparing their sermons for others
- 70% do not have a close friend
- 50% do not regularly meet with an accountability partner or group
- 44% do not regularly take a day off
- 85% have never taken a Sabbatical!

*Congregational benefits of a sabbatical*

A sabbatical for the clergy does not have to be met with anxiety or inactivity. During the clergy absence, the sabbatical can provide a means of partnering for effective ministry within the congregation. It can be an opportunity for people to try a new ministry, and for individuals to discover new gifts. In the longer vision of sabbatical,

the congregation should expect to benefit from renewed leadership through ministers who are both physically and spiritually refreshed. As a result, both the congregation and its ministerial staff have the opportunity to be exposed to new programs and ministries that will benefit the church.

Martin Padgett, president and chief executive officer of Clark Memorial Hospital in Jeffersonville, Indiana, was board chairperson of First Christian Church in Jeffersonville while his pastor was on a three-month sabbatical. Following the pastor's return, Padgett wrote, "I feel we [the congregation] benefited by this experience as much as he did. . . . We had to make decisions based on meaningful discussion and not by just looking to (our pastor) to tell us the answer to whatever issue we had. . . . (He) returned from his time away with revived enthusiasm in every aspect of his role as senior pastor. Since he has returned, we have added additional services, programs, and attendance. . . . The congregation feels the renewed energy we have."

Rev Lynne is eligible for a 3-month Sabbatical next summer and is working with the Vestry to decide how best to approach this time of renewal for both the rector and the congregation. The Episcopal Church now offers a "College for Congregational Development" in the Diocese of Rochester: a two-year program to expand the gifts of individuals and the congregation. Rev Lynne, Connie Van Houten, and Karen Derr will participate in this 4-weekends per year program and will be sharing the tools and experiences with the congregation. St James is also looking at coverage and exploring the possibilities of a combination of Sunday coverage including Pastor Gary, supply, and lay led Morning Prayer.

You will hear more over the next six months as plans emerge, dates are set, and coverage is put into place. Please pray with us as we enter this opportunity for new growth and renewal. Feel free to ask Rev Lynne, or any Vestry member if you have questions.

### **Looking Ahead - Reports for Annual Meeting**

Please send your completed Reports to Lynne no later than Wednesday, January 17th so we can make them available to the congregation on Sunday, the 21<sup>st</sup> the week before our Annual Meeting on the 28<sup>th</sup> of January. It is our hope that people will have the chance to read, mark, learn, and inwardly digest, and then at Annual Meeting have the opportunity to ask clarifying questions, and give thanks for all we have done in 2018.
