The Mission committee was asked if we could help a cancer treatment grandma buy Christmas presents for her family. She has 6 adult children plus 2 grandchildren. Committee members agreed on a \$150 gift card from Wal-Mart which Leah will purchase.

Jim Grillo, senior warden, made a motion via email asking the vestry to approve/disapprove the Mission request to purchase a \$150 gift card from Wal-Mart for this grandma by voting either Yea or Nay. The vote was unanimous. The motion was approved.

Jim said he would let Carol Bidwell know.

Respectively submitted: Donna Noteware, clerk
